The Feuerstein Forum Brings Practitioners Together!

The Feuerstein Institute is excited to launch The Feuerstein Forum, a monthly gathering for practitioners to share experiences, ask questions, and receive feedback. On September 8th 140 people signed up for our first introductory meeting! Every month practitioners will meet to discuss a case and learn from each other. At a modest fee of 10 euro per session, it's a great way to deepen your practice with the Feuerstein methodology!

Have something you'd like to share? Submit your case, and together we'll help you apply the Feuerstein method! Join us October 13th for the next meeting at 2:00pm EST/9:00pm Israel time. [Join our next meeting here.](#)

Dr. Jeanne Zehr Named Director of North America Programs

We are thrilled to announce that Dr. Jeanne Zehr, former Director of the MindCAP Center in Fort Wayne, Indiana, has been appointed as the new Director of North America Programs at the Feuerstein Institute! Her outstanding leadership and dedication to our mission make her the perfect fit for this role, and we are excited for the future projects she will spearhead.

This exciting news follows the success of the Shores International Conference, held from July 8-12 in Fort Wayne, Indiana. The event was a tremendous success, with **130 participants** from **10 countries** and **22 states**, attending **10 courses**. Stay tuned for more updates on upcoming initiatives with Dr. Jeanne leading the way!

Shoresh Prague 46th International Conference a Success!

In addition to Shoresh Fort Wayne, this past summer in July, we hosted the 46th International Conference in Prague, with **80 participants** from over **15 different countries**. It was a joy to meet new faces and reconnect with old friends, fostering deeper connections among Feuerstein enthusiasts. Stay tuned for Shoresh 2024 in Chicago!

Exciting News! New Authorized Training Center in Japan

We are thrilled to announce a new partnership with Yume-sodate K.K. in Japan, establishing an Authorized Training Center to enhance educational activities for individuals with intellectual developmental disabilities. This collaboration is a significant step forward, and we look forward to expanding Feuerstein's impact globally.
